## who we are

Bluebird Graphic Solutions was established in 2011 by Anthony Clayton, a fabrication specialist with over two decades of experience in the community. Bluebird has emerged as the preferred partner of leading architects, designers, general contractors, and their clients.

We are a minority owned business (MBE) based in Boston and focused on the Northeast.

## our clients

- Architects and Designers
- General Contractors
- Institutions including Retail, Education, Health Care, Corporate, Hospitality, and Transportation
- Complementary Fabricators

## small is the new big

At Bluebird Graphic Solutions, we are big enough to offer the level of service, experience, and expertise that you expect, and small enough to maintain clear lines of communications and control across all our projects. We are particularly adept at project documentation, closely fulfilling design intent and creating/communicating a clear roadmap for project completion.

## our capabilities include

### Large Format Digital Printing

Both roll-fed and flatbed printing. Integration of print with signs, interior and architecture

### Vinyl Graphic Installation

Application with signs, exhibitions and architecture

### Fabrication in Multiple Materials

Wood, plastic, metal, glass, and stainless steel in complex shapes at any size

### ADA Signs

Multiple Materials and graphics

### Construction
